Homework assigned October 6, 2013

Memorized next week (10/13):

- Denko (through m. 54)

Memorized already (☺)

- Taylor (be sure to solidify/fix ending)

New material for next week:

- Learn mm 43-end of “In Freezing Winter Night” (#8)
- Learn mm 75-end of Debussy

Solidify/reinforce the following (using the notes you took this week so you are reinforcing things like dynamics, breath marks, phrasing, diction concerns, tone, etc):

- First two thirds of “In Freezing Winter Night” (WOW was that a great rehearsal!)
- Debussy mm 42-59 on “pa”
- Tone in “Denko”
- Chords/memorization/ending of “Taylor”

Be sure to review the things we did NOT get to this week, including/especially:

- “Wolcum” new material you prepared for this week
- Rest of Britten selections (Hodie, Balulalow, As Dew, This Little Babe, Deo Gratias)
- Tomorrow Shall Be…

Keep up the great work!
