

ACCOMPANIST REQUEST FORM

September 29, 2009

The keyboard department asks you to take note of the deadline for submitting accompanying requests for the 2009/2010 academic year. The deadline for submitting a request to work with an accompanying fellow on instrumental collaborative repertoire is October, 27, 2009. The department will assign the appropriate music to the accompanying fellows and to the staff accompanist at the first department meeting after the deadline. While the staff accompanist will continue taking requests throughout the year, it is highly recommended to submit requests early to ensure the best performance and the most productive rehearsal process possible. If you would like to work with Nick, please email him to get the appropriate paperwork. If you would like to work with a keyboardist on early music, please contact Professor Handford as early as possible to find a collaborator.

For consideration of both the accompanying fellows and the staff accompanist, please submit this form to Nicholas Towns' mailbox in the conservatory office with a score and a completed request form. Thanks and we look forward to working with you throughout the year!

Sincerely,
The Lawrence University Keyboard Department

(The keyboard department gratefully acknowledges the help of Professor James Howsmon of the Oberlin College Conservatory of Music)
