

Bel Canto Canadian Tour

Dear Singers:

The mp3 files below contain the majority (although not all) of the music you must learn for our trip to St. Marys, Ontario. Please listen to these while you are looking at your scores so that you can learn the notes. We will be singing the SSA parts only in Kieran's Song – St. Marys Childrens Choir and other guest choirs will provide the T/B parts. The mp3 files are here:

In addition to the new commissioned piece by Roger Treece, we will sing "Give Us Hope" by Jim Papoulis. A link to the song is here:

You will receive a rehearsal schedule shortly, but do keep in mind that our time together will be very limited. You are responsible for preparing the music in advance so that we are prepared for the trip.

Thank you!
