

Lawrence Academy of Music is pleased to announce a new band program just for adults. Learn to play music in a band—even if you have no musical experience! Members of the New Horizons Band will meet new friends and work as a team to learn music for concerts and other performances in the community.

If you played an instrument in school years ago, you will be amazed at how much you remember and how quickly you will be able to play again. Even if you have never played music, you are already familiar with the sound of the music that will be included in your early instruction. If you attend rehearsals and practice, you will be playing music before you know it!
