

LAWRENCE ACADEMY OF MUSIC CAMP July 19-25, 2009

GENERAL INFORMATION

- DIRECTIONS TO CAMP** See enclosed map. If you plan to use public transportation, please make arrangements with the Lawrence Academy of Music office prior to June 15, 2009. If you are a high school student driving your own car to leave on campus, you must make parking arrangements in advance with the Academy office.
- CHECK-IN/REGISTRATION (for resident campers)** Begins at 12:00 noon and continues until 3:00 p.m. You will be sent your residence hall assignment, audition time, and theory test time after June 15. When you arrive at camp, please go directly to your assigned residence hall. After checking in at your room, you may go to your audition location.
- LATE REGISTRATIONS** All registrations after June 15, 2009 must be accompanied by full payment of camp fees. If for any reason you have not received your final confirmation letter and residence hall assignment, come to the Camp Office in Lawrence Music Drama Room 142 to get your assignments.
- AUDITIONS** Auditions for band placement will be held on Sunday afternoon after check-in. The audition will take about five minutes. Please prepare a solo or an etude from a lesson book (it doesn't have to be a lengthy piece), major scales in Bb, Ab, and F concert, a chromatic scale, and be prepared to do some sight-reading. Prepare before camp so you are able to play and rehearse up to 4 hours per day. Jazz ensemble auditions (for those choosing this class) will be held separately from your band audition. For this, prepare a short jazz-styled solo and be prepared to sight-read some jazz music. Piano, bass, guitar, and drum set performers are needed as well as wind players.
- SUNDAY LUNCH** There are many restaurants nearby at which parents and students may have Sunday lunch. Please do so prior to registration. We ask that once a student arrives at camp and is registered that he/she remains on campus until the close of music camp on Saturday, July 25.
- CAMP BOUNDARIES** For your safety please remain within the boundaries of the camp after you register. These are shown on the campus map enclosed. College Avenue is a very busy street. Use the stoplighted crosswalks at the corners near Drew St. and Lawe St. Violation of camp boundaries is a serious matter and may result in dismissal from camp.
- FULL CAMP MEETING** A meeting of all students and staff will be held Sunday evening. Camp rules and procedures will be fully explained, the camp faculty and counselors will be introduced, and band rosters will be read. Following the meeting you will have your first full band rehearsal.
- HEALTH FORM** If you have not returned the health form by mail, it must be given to your Head Counselor on registration day. **No camper will be allowed to remain on campus without a signed health form granting permission for medical professionals to render treatment in emergencies. If you have questions regarding the health form, please contact the Academy Office (address below)**

The residence halls are not air-conditioned, so you may want to bring an electric fan. MEDICAL CARE	A nurse is on duty daily in the mornings. Emergency medical service is available 24 hours a day. Dismissal from camp due to illness must be arranged through the nurse AND camp director.
CELL PHONES	You may bring a cell phone to camp, but it must be kept and used only in your dorm room. Please do not bring it with you to class or rehearsals. Counselors may confiscate phones of students who abuse this rule (phones will be returned at the end of the week). Put a nametag on your phone so we can identify it if lost. Other electronic devices (iPods, laptops, etc.) may be brought to camp, but are subject to the above cell phone rules if they become a disruption to other students or staff.
VISITORS	Parents and band directors may visit at any time. Other guests are welcome at concert and program events.

These images as well as information about student, teacher and staff activities are published regularly as part of coverage of the Academy of Music.
