

Music Camp

July 17-23, 2011

Honors Recital

A student honors recital will be held on Thursday, July 21 at 8 p.m. in Harper Hall. Recital performers are chosen by auditions held on Monday & Tuesday, July 18 and 19 in the afternoon/evening before and after the evening recitals.

- Interested students audition for a place on the recital in front of a 3-member faculty audition committee.
- Interested students sign up for audition times upon arrival at camp.

Music

- Prepare literature of Class B or A difficulty (see WSMA music list at www.wsmamusic.org/music_list/search_08-09.html for examples). Your piece does not need to be on WSMA music list, but the list may help you decide the level of your piece.
- Please bring an original copy of your solo for the judges at the audition.

Piano Accompaniment

- There is no piano accompaniment needed for the audition; however, please bring the piano accompaniment to camp with you. If you are selected for the recital and your solo requires piano accompaniment, we provide an accompanist and arrange rehearsal time with you and the accompanist.

IMPORTANT:

** It is your responsibility to provide the piano music. If you don't have it at the camp office by 10 a.m. Wednesday morning, you will not be able to perform at the recital.
