

# Because.

Because all Lawrentians should get to read Plato's *Republic* in Freshman Studies

Because the Science Hall Atrium won't keep itself clean

Because dinner just isn't the same without Hilda

Because your circle of friends now circles the world

Because there should always be bubbles in the fountain

Because the Sweet Sixteen is sweet

Because Main Hall Green still gets you misty-eyed

Because the search for music stands marks "The Lawrence Difference"

Because who wouldn't like to see Lawrence at the top of *U.S. News & World Report*

Because IHRTLUHC

Because your gift can make a **big** difference for Lawrence University.
