

2009-10 Lawrence University Non-Custodial Parent Financial Aid Form

This form should be completed by the parent whose information is NOT reported on the FAFSA. In most cases, this is the parent the student lived with least in the past 12 months and/or who provided less than 50% of the support for the student.

This form is used to evaluate the financial strength of the student's non-custodial parent. Lawrence University adheres to the principle that both parents, regardless of their current marital status, have the primary responsibility for providing for their child's education and to the extent they are able, should provide reasonable financial support.
