

MUIN (Applied Music Individual Instruction)

Registration for individual music instruction is by permission of the instructor based on interview or audition. Instruction is offered at eight levels (elementary through advanced) in the following areas: piano, organ, voice, violin, viola, violoncello, doublebass, guitar, flute, oboe, clarinet, saxophone, bassoon, horn, trumpet, trombone, euphonium, tuba, harpsichord, percussion, and jazz studies.

Students should select the appropriate course level based on the information given below. Students requesting non-required lessons are accommodated to the extent faculty schedules permit. Studio assignment and placement for B.Mus. degree candidate are determined upon matriculation.

Once the appropriate level and course number have been determined, students must refer to the class schedule on the Web to find the CRN for the desired term, course number, and instructor. The instructor's permission (signature) is required for registration.
