

Student Request for Academic Accommodations

For students with learning disabilities, attention deficit disorders, sensory or motor impairments, or other acknowledged and documented disabilities.

You are entitled to request reasonable accommodations in pursuit of your academic program. Discuss your needs with your advisor and use this form to identify appropriate accommodations in light of both your disability assessment and the particular format and expectations of the course.

Name: _____

Advisor: _____

Course: _____

Term: _____

Instructor: _____

List the specific accommodations you are requesting together with any information or explanation that may help us determine the best way to meet your need:
