PERSONS WITH DISABILITIES: The State of Wisconsin makes strong efforts to recruit and hire persons with disabilities. The Disabled Expanded Certification (DEC) Program is designed to help State agencies recruit and hire qualified persons with disabilities. We developed eligibility standards to make the program accessible to persons with disabilities. We require candidates to verify their eligibility for DEC before being interviewed for state jobs. The DEC form explains in detail eligibility standards and procedures. If you wish to be considered for the DEC Program, please submit the *Disabled Expanded Certification Verification form (OSER-MRS-159)*. This DEC form is available at all Job Service, Division of Vocational Rehabilitation, state personnel and college placement offices, online at <http://oser.state.wi.us/appmaterials.asp>, or by writing to the Employment Services Center; OSER/DMRS; P.O. Box 7855; Madison, WI 53707-7855.

AFFIRMATIVE ACTION: Wisconsin State Government is an equal opportunity employer operating under an approved affirmative action plan. As an equal opportunity employer, we encourage women, minorities, and persons with disabilities to apply.

WISCONSIN RESIDENCY: Wisconsin residency is not required. However, it would be helpful for us to know your residency status for statistical purposes. Providing residency information is optional and will not affect your eligibility for employment. The policy of the State of Wisconsin as an employer is to employ or continue to employ only persons who are legally authorized to work in the United States.

WHO DO I CONTACT FOR MORE INFORMATION? Each announcement in this bulletin contains contact information. For questions about that job, application procedures or to receive a complete description of the job, contact the hiring agency directly. If you claim veterans preference and are referred to an agency for an interview, the agency will ask you to verify your eligibility with your Form DD 214 or other federal documents.
