

# Converting and Downloading YouTube Videos

## First, the disclaimers:

- This process cannot be done on the FCPS network because YouTube is blocked.
- Remember to follow FCPS regulations regarding the instructional use of videos.

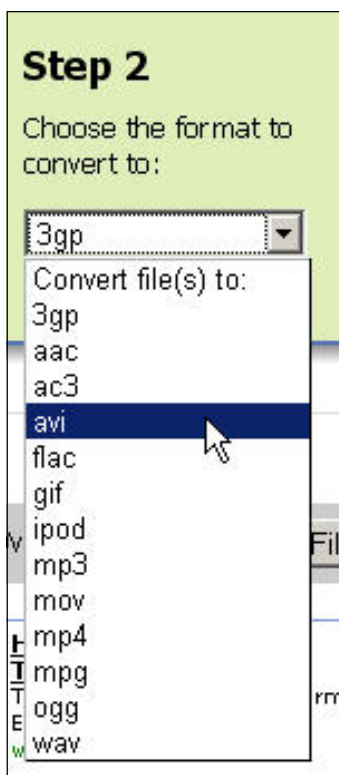

## Get the YouTube URL:

- Go to [www.youtube.com](http://www.youtube.com) and find the video clip you want to convert.
- Highlight the entire URL in the information box to the right of the video player.
- Copy the URL by pressing CTRL+C.

## Paste the YouTube URL to Zamzar:

- Go to [www.zamzar.com](http://www.zamzar.com) and click the "URL" link under Step 1.
- Delete the "http://" that is already in the box.
- Paste the URL from YouTube by pressing CTRL+V.
- Click the "Add URL" button.

## Convert the Video Clip:

- Under Step 2, select "avi" from the dropdown menu.
- Under Step 3, enter the email address Zamzar should use to notify you that your file is ready.
- Under Step 4, click the "Convert" button.

## Download the Video Clip:

- Open your notification email from Zamzar and click on the link.
- Click the green "Download" button to download your file.
- Save the file to your computer.
