CHANGES IN COVERAGE

You can apply at any time to change coverage by filling out a new Benefit Election Form and Application for Long Term Care Insurance which includes evidence of insurability. Changes in coverage will take effect at 12:01 a.m. on the first day of the month on or next following the month in which Unum approves your application. The premium rate to be paid for any change in coverage is based on your insurance age. To determine insurance age, subtract your date of birth from the date you are applying for the change in coverage.

WHEN CHANGES IN COVERAGE WILL BE DELAYED

Changes in your coverage will not begin if you are absent from work because you are injured, sick, temporarily laid off or on a leave of absence on the date that the coverage would normally begin. Coverage will begin at 12:01 a.m. on the first day of the month after you return to work as an Active Employee.

DISCRETIONARY AUTHORITY

The treatment and services you receive must be provided pursuant to a written plan of care developed by a Licensed Health Care Practitioner.

Professional Home Care Services do not include services performed by your spouse, daughter, son, parent, sister, brother, grandparent or grandchild through a Home Health Care Provider or an Adult Day Care Facility.

"Respite Care" means care provided to you for a short period of time to allow your informal caregiver a break from their caregiving responsibilities.

"Severe Cognitive Impairment" means a severe deterioration or loss in intellectual capacity, as reliably measured by clinical evidence and standardized tests in:

- short or long term memory;
- orientation to people, place or time; and
- deductive or abstract reasoning.

Such deterioration or loss requires Substantial Supervision by another individual for the purpose of protecting you from harming yourself or others. The loss can result from a Disability, Alzheimer's disease, or similar forms of dementia.

"Skilled nursing care" means care furnished on a Physician's orders which requires the skills of professional personnel such as a registered or licensed practical nurse and is provided either directly by or under the supervision of these personnel.

"Substantial Assistance" means stand-by assistance by another person without which you would not be able to safely and completely perform the ADL.

"Substantial Supervision" means the presence of another individual for the purpose of protecting you from harming yourself or others.
"Total Home Care" means:

- visits to your residence by a Home Health Care Provider to provide skilled nursing care; physical, respiratory, occupational, dietary or speech therapy; and homemaker services;
- Adult Day Care;
- Hospice Care; or
- care provided by an informal caregiver, such as a friend or relative.

The treatment and services you receive must be provided pursuant to a written plan of care developed by a Licensed Health Care Practitioner.
WHY YOU ARE ELIGIBLE FOR A MONTHLY BENEFIT

You are eligible for a Monthly Benefit after:

- you become Disabled;
- you are receiving services in a Long Term Care Facility or Assisted Living Facility; (or Professional Home Care Services if your plan includes a Professional Home Care Service Benefit); (or Total Home Care if your plan includes a Total Home Care Benefit);
- you have satisfied your Elimination Period; and
- a Physician has certified that you are unable to perform (without Substantial Assistance from another individual) two or more ADLs for a period of at least 90 days, or that you require Substantial Supervision by another individual to protect you and others from threats to health or safety due to Severe Cognitive Impairment. You will be required to submit a Physician certification every 12 months.

A Monthly Benefit will become payable once all of these requirements are met.

The treatment and services you receive for your Disability must be provided pursuant to a written plan of care developed by a Licensed Health Care Practitioner.

AMOUNT OF MONTHLY BENEFIT

The amount of your monthly benefit will be based on the coverage options you chose from the SCHEDULE OF BENEFITS and the place of residence used for long term care. See your Confirmation of Benefits form to determine the amount we will pay you each month.

If your plan includes Professional Home Care Services, the benefit payment will be based on the number of days you receive these services each month.

A monthly benefit payable for less than one month will be paid based on the actual number of days in the month in which you are eligible for a monthly benefit.

WHEN MONTHLY BENEFITS ARE PAID

Unum will send you a lump sum payment to cover the period between the day you became eligible for monthly benefit payments and the day you were approved for these payments. Unum will then send you a payment each month for days you were eligible to receive benefits during the prior month.

WHEN MONTHLY BENEFIT PAYMENTS END

We will continue monthly benefit payments until the earliest of the following dates:

- the date you are no longer Disabled and under the regular care of a licensed or certified professional;
- the expiration of your Physician certification;
- the date you are no longer eligible for a monthly benefit under the plan of coverage you chose;
• the date your total benefit payments equal the Lifetime Maximum Amount; or
• the date you die.

WAIVER OF PREMIUM

Once benefits become payable, there will be no more cost for your coverage as long as you are Disabled. If benefits are no longer payable, you must resume premium payments to continue your coverage. Premiums are not waived while you are receiving a payment for Respite Care.

RECURRENT DISABILITY

You will not have to complete a new Elimination Period if you become Disabled again after the date we stopped making monthly benefit payments to you for your previous Disability.

RESPITE CARE BENEFITS

If you are eligible for a home care benefit but are not yet receiving monthly payments because you:
• have not yet completed the Elimination Period; or
• have completed the Elimination Period but have chosen to postpone receipt of benefits in order to preserve your Lifetime Maximum Amount

we will pay a benefit equal to 1/30th of your home care benefit for each day that you receive Respite Care up to a maximum of 15 days per calendar year.

When filing a claim for Respite Care Benefits, you must clearly indicate on the claim form that you are requesting payment for Respite Care only.

Payments made to you for Respite Care will reduce your Lifetime Maximum Amount.

Respite Care may be provided to you by:
• a formal caregiver, such as a Home Health Care Provider, an Adult Day Care Facility, a registered nurse, a licensed practical nurse, etc., or
• an informal caregiver such as your friends or relatives.

BED RESERVATION BENEFIT

If you are receiving a Long Term Care Facility or Assisted Living Facility monthly benefit and your stay in the Facility is interrupted because you are hospitalized, we will continue to pay the monthly benefit if a charge is made to reserve your accommodations in the Facility.

If your stay is interrupted because you are hospitalized while you are completing your Elimination Period, such days will be used to help satisfy this period.

Bed Reservation days will be limited to 15 days per calendar year.

NONFORFEITURE BENEFIT (Shortened Benefit Period)

If you have chosen this benefit and your premium payments stop after your coverage has been in force for at least three years, you will be eligible for a
Nonforfeiture Benefit. This means that your coverage would continue automatically with the same level of benefits, except for a reduction in your Lifetime Maximum Amount. Your Lifetime Maximum Amount under this Nonforfeiture Benefit will be equal to the total premium paid up to the date you stopped paying premiums.

In no event will the Lifetime Maximum Amount:

- be less than one Long Term Care Facility monthly benefit payment amount;
- or
- exceed that which would have been paid had you not stopped paying premium.

No inflation protection increases, if included in your plan, will be made after the end of the period for which premiums were last paid to Unum for your coverage.

This Nonforfeiture Benefit is subject to all the terms and conditions of the Policy.
LIMITATIONS AND EXCLUSIONS

Unum will not make long term care payments to you for:

- a Disability caused by war (whether declared or not) or any act of war;
- a Disability caused by attempted suicide (while sane or insane) or self-destruction;
- a Disability caused by a commission of a crime for which you have been convicted under state or federal law or attempting to commit a crime under state or federal law;
- Disabilities or confinements during which you are outside the United States, its territories or possessions for longer than 30 days;
- a Disability caused by voluntary use of any controlled substance unless the controlled substance is prescribed for you by a Physician. ("Controlled substance" is defined in Title II of the Comprehensive Drug Abuse Prevention and Control Act of 1970 and all amendments.);
- a period in which you are confined in a hospital other than if you are confined in a nursing facility that is a distinctly separate part of a hospital, (this exclusion does not apply to those periods covered under the Bed Reservation Benefit); or
- a Disability caused by psychological or psychiatric or mental conditions, regardless of cause, which include:
  - depression,
  - generalized anxiety disorders,
  - personality disorders,
  - schizophrenia,
  - manic depressive disorders, or
  - adjustment disorders

and other conditions that are usually treated by a mental health provider or other qualified provider using psychotherapy, psychotropic drugs or similar methods of treatment.

However, Unum will make payments to you for conditions that are not psychological, psychiatric or mental in nature, including Alzheimer's disease or similar forms of irreversible dementia.

PRE-EXISTING CONDITIONS EXCLUSION

A pre-existing condition is any condition that exists for which medical advice was given or treatment was recommended by or received from a doctor within six months before the effective date of coverage.

Unum will not make any payments to you for a Disability that:

- is caused by, contributed to by, or results from a pre-existing condition, and
- begins during the first six months after your coverage begins.

C-15
CLAIM INFORMATION

NOTICE OF CLAIM

You must give us written notice of claim within thirty (30) days of the date you become Disabled. If it is not possible for you to give us notice within this time period, it must be given as soon as reasonably possible.

If you do not have a Long Term Care Notice of Claim Form, you can get one from the Policyholder’s Plan Administrator, or your Unum representative, or you can notify Unum in writing that you want to make a claim. If you do not receive the form from Unum within 15 days after writing, send Unum proof of the claim without the form.

PROOF OF CLAIM

You must send Unum proof of claim for long term care payments no later than 90 days after the date you become Disabled. If you cannot send Unum proof within this 90-day period, you must send Unum proof as soon as it is reasonably possible to do so, but in no event more than one year after the time this proof is required.

The proof of your claim must include:

* the date your Disability occurred;
* the cause of your Disability;
* the extent of your Disability;
* certification by a Physician that you are unable to perform (without Substantial Assistance from another individual) two or more ADLs for at least 90 days, or that you require Substantial Supervision by another individual to protect yourself and others from threats to health and safety due to Severe Cognitive Impairment;
* your written plan of care developed by a Licensed Health Care Practitioner;
* such other proof as we may deem necessary.

You must give Unum proof of continued Disability at intervals requested by us. Such proof must be given within 30 days of our request. If it is not possible for you to give us proof of continued Disability within this 30-day period, it must be given as soon as possible. However, proof of continued Disability must be given no later than one year after the time proof is otherwise requested.

Claims for a Professional Home Care Services monthly benefit must also include proof of the number of days these services were provided to you.

Unum may also require a claims assessment as part of the proof of claim. A claims assessment means a review done by Unum or its designated representative to help in evaluating the Disability. It may include a face-to-face interview with you at a location selected by Unum or its designated representative.
HOW TO FILE A CLAIM

You must fill out a Long Term Care claim form and send it to Unum. If you do not have enough information to complete the form, you may send in the Notice of Claim postcard that is attached to the claim form. The claim form must be submitted when all information is available.

After you have filed a claim, Unum may also require you to be examined by a Physician or other medical practitioner of Unum’s choice. Unum will pay for the examination. Unum can require an examination as often as it is reasonable to do so. Unum may require you or your authorized representative to give authorization to obtain additional medical and nonmedical information as part of the proof of claim.

LEGAL ACTION

You or your authorized representative may not start legal action on your claim before 60 days after proof of loss has been given to Unum or more than 3 years from the time proof of loss was required.

RIGHT OF RECOVERY

Unum has the right to recover any overpayments made because of any error Unum makes in processing your claim.

RIGHT OF APPEAL

Unum will notify you, in writing, if a claim or any part of a claim is denied. The denial letter will state:

- the specific reason(s) for the denial with reference to the applicable policy provision(s);
- a description of any additional material or information, if any, necessary to complete the claim; and
- an explanation of why the additional material is necessary.

If you are not satisfied with the reason for the denial, you or your representative may ask to have the claim reviewed by Unum’s Quality Review Section. The request must be in writing and may include any supporting material or information that may help Unum to review the claim.

With proper authorization, you may request copies of the pertinent documents used for the claim review. In some cases, Unum may request that you provide additional information to assist in the review.

Within 30 days after receipt of the request or after the date all the needed information has been received from you, Unum will notify you or your representative of Unum’s determination, in writing. An explanation of the determination will also be provided.
TERMINATION OF COVERAGE

Your coverage will end on the earliest of these dates:

• the date your total benefit payment equals your Lifetime Maximum Amount,
• the date the Policy ends,
• the date you are no longer an Active Employee with the Policyholder,
• the date you no longer work for the Policyholder,
• the end of the period for which premiums were last paid to Unum for your coverage, or
• the date you die.

If you are absent from work at the Policyholder for any reason, you will continue to be covered for group coverage if the Policyholder continues to pay premiums to Unum.

EXTENSION OF BENEFITS

Termination of coverage will not affect any benefits payable if Disability began while your long term care insurance was in force, and continues without interruption after termination. Such extension of benefits will be limited to the duration of the payment of the Lifetime Maximum Amount.

CONTINUATION OF COVERAGE

If group coverage ends, you may elect converted coverage which means that the same coverage you had under this plan can continue on a direct billing basis. If you are already direct billed, your coverage will automatically transfer to converted coverage.

You may not elect converted coverage if your coverage ended because you stopped paying premiums or if you are not insured under this plan.

Election for converted coverage must be made within 31 days of the date the group coverage ends. You must pay premium directly to Unum for any converted coverage to be continued.

The premium rate schedule for converted coverage may change in the future, depending on the overall use of the benefits by all insured persons or changes in the benefit levels or other risk factors. Any such change will be made on a class basis according to Unum's underwriting risk studies.

Once you have converted your coverage, you can apply at any time to change your coverage by contacting Unum's Home Office. You will need to complete the necessary forms which may include evidence of insurability.
GENERAL INFORMATION

STATEMENTS

Unum considers any statements you make for insurance in any signed application(s) for initial coverage and/or any subsequent changes in coverage to be complete and true to the best of your knowledge and belief. All statements made in any application are considered representations and not warranties (absolute guarantees). If any of these statements are not complete and/or not true at the time they are made, Unum can:

• reduce or deny any claim, or
• terminate insurance from the original effective date.

Unum must use only the statements made in the signed application(s) as a basis for doing this.

Except for fraud, Unum can take these actions only in the first 2 years your initial coverage or change in coverage is in force. There is no time limit for Unum to take these actions if any statements are fraudulent.

INCONTESTABILITY

For a certificate that has been in force for less than six (6) months, Unum may rescind coverage or deny an otherwise valid long term care insurance claim upon a showing of misrepresentation that is material to the acceptance for coverage.

For a certificate that has been in force for at least six (6) months but less than two (2) years, Unum may rescind coverage or deny an otherwise valid long term care insurance claim upon a showing of misrepresentation that is both material to the acceptance for coverage and which pertains to the condition for which benefits are sought.

After a certificate has been in force for two (2) years, it is not contestable upon the grounds of misrepresentation alone, such certificate may be contested only upon a showing that the insured knowingly and intentionally misrepresented relevant facts relating to his/her health.

AGENCY

For all purposes of the Policy, the Policyholder acts on its own behalf or as your agent. Under no circumstances will the Policyholder be deemed Unum's agent.

PREMIUMS

The premium due must be paid within the Grace Period. If premium is not paid within this time, your coverage will terminate at the end of the Grace Period. However, an additional 30 day extended Grace Period will be given to you if you designated another person to receive notification of termination of insurance for nonpayment of premium. That notice will not be sent to the designated person until the 45 day Grace Period has expired.

Premiums for additional, increased, or terminated insurance may cause a pro-rata adjustment on the next premium due date. If Unum is notified of your death, Unum will refund to your estate, on a pro-rata basis, any part of the premium you paid which applies to the period after death.
The premium rate will not increase because you grow older or because of your use of the benefits. However, the premium rate schedule may change in the future depending on the overall use of the benefits by all insured persons or changes in the benefit levels, plan design or other risk factors. Any such change will be made on a class basis according to Unum's underwriting risk studies under this type of insurance.

REINSTATEMENT

If your coverage terminates because a premium is not paid by the end of the Grace Period, you may request to reinstate your coverage at any time until six months from the coverage termination date.

In order to reinstate your coverage, the following requirements must be met:

- you must complete a reinstatement application;
- Unum must approve that reinstatement application; and
- you must pay all unpaid premium.

If Unum approves your reinstatement application, reinstatement will take effect on the date your coverage was terminated for non-payment of premium.

The reinstatement coverage WILL NOT cover any Disability which is excluded by name or description in the Policy.

REINSTATEMENT OF TERMINATED COVERAGE DUE TO DISABILITY

If you become Disabled and your coverage terminates because premium is not paid by the end of the Grace Period, you may request to reinstate your coverage at any time until five months from the coverage termination date.

In order to reinstate your coverage, the following requirements must be met:

- you must provide proof that your Disability occurred prior to the coverage termination date; and
- you must pay all unpaid premium.

If you meet these requirements, we will reinstate your coverage on the coverage termination date.

The reinstatement coverage WILL NOT cover any Disability which is excluded by name or description in the Policy.

POLICY RENEWABILITY

The Policy is renewable at the option of the Policyholder. This means that the Policy will continue as long as the Policyholder continues to remit the required premiums to Unum.

Your coverage under the plan may be changed, in part only, by Unum. Your coverage under the plan may be changed or ended at the option of the Policyholder.
If your coverage is ended by the Policyholder, you will have a guaranteed right to elect continuation of coverage. However, the right to elect continuation of coverage does not apply if the Policy is terminated due to nonpayment of premium.

YOUR RIGHTS IN THE EVENT OF POLICY TERMINATION

The Policy can be terminated by Unum, or by the Policyholder.

Unum can terminate the Policy by written notice of at least 60 days if the Policyholder:

- does not promptly give Unum any information that Unum requires, or
- fails to perform any of its obligations that relate to the Policy.

The Policy will automatically terminate if the Policyholder does not pay all premiums due within the Grace Period. The Policy will terminate at 12:00 midnight on the last day of the Grace Period.

The Policyholder must pay all of the premiums for the entire time that the Policy is in effect and will be liable to Unum for any premiums that it does not pay.

However, Unum cannot refuse to renew or otherwise terminate the Policy because the insured persons grow older or because of the insured persons' use of the benefits.

The Policyholder can terminate the Policy on any date if it delivers written notice to Unum at least 45 days before the termination date.

If the Policyholder and Unum both agree, the Policy may be terminated less than 45 days after the Policyholder or Unum gives notice of the termination. However, the Policy will not be terminated during any period for which the Policyholder has paid the premium.

If the Policy is terminated, Unum will still pay any payable claim for an insured person's Disability which began while the Policy was in effect.

CLAIM PROCEDURES

In the event that your claim is denied, either in full or in part, Unum will notify you in writing within 90 days after your claim form was filed. Under special circumstances, Unum is allowed an additional period of not more than 90 days (180 days in total) within which to notify you of its decision. If such an extension is required, you will receive a written notice from Unum indicating the reason for the delay and the date you may expect a final decision. Unum's notice of denial shall include:
1. the specific reason or reasons for denial with reference to those Policy provisions on which the denial is based;

2. a description of any additional material or information necessary to complete the claim and why that material or information is necessary; and

3. the steps to be taken if you or your beneficiary wish to have the decision reviewed.

Please note that if Unum does not respond to your claim within the time limits set forth above, you should automatically assume that your claim has been denied and you should begin the appeal process at that time.

APPEAL PROCEDURES

If you or your authorized representative appeal a denied claim, it must be submitted within 90 days after you receive Unum’s notice of denial. You have the right to:

1. submit a request for review, in writing, to Unum;

2. review pertinent documents; and

3. submit issues and comments in writing to Unum.

Unum will make a full and fair review of the claim and may require additional documents as it deems necessary or desirable in making such a review. A final decision on the review shall be made not later than 90 days following receipt of the written request for review. If special circumstances require an extension of time for processing, you will be notified of the reasons for the extension, and a decision shall be made not later than 120 days following receipt of the request for review. The final decision on review shall be furnished in writing and shall include the reasons for the decision with reference, again, to those Policy provisions upon which the final decision is based.

YOUR RIGHTS UNDER ERISA

As a participant in the Plan, you are entitled to certain rights and protection under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator’s office and at other specified locations, all documents governing the Plan, including insurance contracts, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The Plan Administrator may make a reasonable charge for the copies.
Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

**Prudent Actions by Plan Fiduciaries**

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your Employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

**Enforce Your Rights**

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits that is denied or ignored, in whole or in part, you may file suit in a state or federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees if, for example, it finds your claim is frivolous.

**Assistance With Your Questions**

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

**DISCRETIONARY ACTS**
In exercising its discretionary powers under the Plan, the Plan Administrator, and any designee (which shall include Unum as a claims fiduciary) will have the broadest discretion permissible under ERISA and any other applicable laws, and its decisions will constitute final review of your claim by the Plan. Benefits under the Plan will be paid only if the Plan Administrator, or its designee (including Unum), decides in its discretion that the applicant is entitled to them.
