Web Time Entry for Student Employees

As a student employed by LU, you will track the hours you work each day on a Voyager time sheet.

At the end of each pay period, you will submit the completed time sheet for approval by your supervisor, who will finalize the time sheet for payroll processing.

Steps below describe how to record hours worked and submit your time sheet for approval.

Log in

Log in to Voyager: <http://bannerweb.lawrence.edu>

Reminder: To log in, enter your LU username (in capital letters) or your LU ID and your PIN. *Call the Helpdesk at x6570 if you've forgotten your PIN.*

On the Voyager Web page, click on Employee Menu.

From the Employee Services menu, select Time Sheet.

The screenshot shows a web interface for 'Employee Services'. At the top, it says 'Employee Services' followed by a horizontal line. Below the line is an information icon and the text: 'Please direct any questions to Human Resources and Payroll at ext. 6564 or ext. 6539.' Below this are several menu items, each with a bold heading and a brief description: 'Pay Information' (View your pay stubs, direct deposit allocations, and earnings/deductions history), 'Benefits and Deductions' (View a listing of your employee benefits including amounts you contribute and amounts Lawrence contributes), 'Leave Balances' (View leave balances, accruals, and amount taken), 'Tax Forms' (View your W-4 authorizations and your W-2 form (beginning January 2006)), and 'Time Sheet' (Submit time sheets for your student job(s) beginning October 2005!). The 'Time Sheet' item is circled in red. To the right of the menu is a white box with the text 'Click here' and an arrow pointing left towards the 'Time Sheet' item.

For instructions on the Web, go to www.lawrence.edu/dept/hr/

Access your time sheet

To access your time sheet, select a

- Position (the job for which you want to enter your time)
- Pay period (the most recent pay period will be listed by default).

Click the **Time Sheet** button.

The screenshot shows the 'Time Sheet Selection' page in the Lawrence Voyager system. The page header includes 'LAWRENCE VOYAGER' and navigation links for 'SITE MAP', 'HELP', and 'LOGOUT'. Below the header is a navigation bar with 'Personal Information', 'Student Services', 'Employee Services', and 'Surveys'. The main content area is titled 'Time Sheet Selection' and contains an information icon and a message: 'Make a selection from My Choice. Choose a Time Sheet period from the pull-down list. Select Time Sheet.' The form includes a 'Title and Department' field with the value 'Student Assistant, STUCWS-10 Campus Activities Office, 3401'. The 'My Choice Pay Period and Status' field shows 'Jul 7, 2005 to Jul 30, 2005' and 'In Progress'. A 'Time Sheet' button is circled in red. A 'Click here' label points to the button. A 'Position' label points to the 'My Choice' dropdown. A 'Pay Period' label points to the date range. A 'Status' label points to the status dropdown.

Note about status definitions

This screen displays the status of your time sheet:

Not Started: The time sheet has not been initiated (not opened yet) by the employee. Once the employee selects the time sheet for a particular period and opens it, the status of the time sheet will change to “In Progress.”

In Progress: The time sheet has been initiated by the employee but is not completed and has not been submitted for approval.

Pending: The time sheet has been completed and submitted for approval by the employee. The record is waiting for the approver (usually the supervisor) to approve the time.

Approved: The time sheet has been approved and is ready to be submitted to the payroll office.

Enter time

To record your hours worked, click on the Enter Hours link listed under the day in which time needs to be reported. This will take you to the Time and Leave Reporting screen.

Note that time worked must be entered for each day but may be copied from one day to another.

These messages explain the status of your time sheet

What if ...

... I don't have a time sheet on Voyager?

Has your supervisor sent your job information to payroll? Has the pay period started yet?

You will see time sheets for your active jobs (those that have already started); jobs that start in the future won't have a time sheet available yet on Voyager.

...I need to change my time sheet, but I've already submitted it for approval?

Contact your supervisor. If he/she hasn't approved and submitted your time sheet, then the supervisor can modify or delete the record. If the time sheet has been submitted, ask your supervisor to contact the payroll office (x6540) for assistance.

...I thought I submitted my time sheet, but my supervisor says it's still In Progress?

In the Certification screen, did you enter your PIN before you logged out? If not, submit the time sheet for approval again and be sure to enter your PIN.

...My supervisor has not approved my time sheet, and the deadline is today?

Contact your supervisor. If the supervisor is unavailable, please call the payroll office at x6540 for assistance.

... I need to report hours for work done in the past?

You **MUST** talk with your supervisor. In most instances, you will be advised to add the missing hours to time reported in the current pay period.
