

Assumption of Risk for Student Travel to Countries with Heightened Risk

I, _____ (name), understand that I have been granted an exemption from Lawrence University's Policy on Student Travel to Countries Under a U.S. Department of State Advanced Travel Advisory Level and Other Countries with Heightened Risk to travel to _____ (city/region and country) during _____ (dates of travel). I understand that Lawrence's approval to travel to this location with Lawrence sponsorship or support may be reversed if the security situation or political climate changes after this exemption is initially granted. I have read and acknowledge the U.S. State Department Travel Advisory information and Centers for Disease Control travel advice currently in place for this country. I understand the potential risks in traveling to this location and personally accept this risk.

I understand that I need to provide detailed itinerary and contact information (including my in-country contact information, my flight information, the location and contact information of my local accommodations, and the names and contact information for any local partners) to Lawrence University. I will complete all regular paperwork to register Lawrence-supported international travel following the regular deadlines. If I am a U.S. citizen or permanent resident, I understand that Lawrence requires that my travel plans be registered with the U.S. State Department's Smart Travel Enrollment Program (STEP) system and I agree to complete this registration before departure. I understand that Lawrence suggests that I know the location and contact information for the embassy of my citizenship nearest my destination(s).
