

Welcome to Lawrence University!

Over the course of the day, you will be able to experience what life as a Lawrentian is like with the help of faculty, staff, and students that make the university what it is. Feel free to ask any member of our community any questions you may have throughout the day, and enjoy your time with us!

How to plan your day

In each of the time blocks, there will be a 70-minute campus tour and one or two 30-minute presentation slots.

Campus tour – A current Lawrentian will lead you on an informational walking tour of campus.

Presentations – Learn about a particular field of study from a faculty member, or discover all of the offerings for students on campus from a member of the University staff.
