# Supporting your success

Lawrentians come from the world's largest cities and smallest towns to form a cohesive residential community. The most important thing to remember is that no matter how far you may come you will find a welcoming community and support when you need it. Below are just some of the resources Lawrence offers to ensure our international students will thrive and succeed at Lawrence and after graduating from Lawrence.

## **INTERNATIONAL HOUSE**

Open daily from 8:00 a.m. to midnight, International House—conveniently home to our International Student Services team—serves as a comfortable, welcoming home away from home.
