

Paperless Billing

As of fall 2019, we are now offering the option to go paperless with our billing statements. If you would like to opt-in for paperless billing, please follow these instructions:

1. Log in to Voyager via this link: <http://go.lawrence.edu/academy-billing>
2. Click on the “Academy of Music” box.
3. Click “View My Statement.”
4. Click on the gray button that says “Go Paperless.” You will see a message that says “Thank you for choosing to go paperless.”

After you complete these steps, you will no longer receive paper bills in the mail; you will only receive emails notifying you that your statement is ready to view online.
