Student I.D. #	Name (please print last, first, middle initial)	Signature	Date
----------------	---	-----------	------

Degree-seeking students must complete requirements for a major in order to earn a degree. Students are expected to declare a major by the end of the sophomore year and are required to obtain a faculty advisor in the major department no later than the beginning of the junior year. Students in the five-year, dual-degree program must complete a minimum of two majors, one for each degree.

Student-designed majors (any degree) must be approved by the Conservatory Administration Committee (B.Mus.) or the Faculty Instruction Committee (B.A.).

Candidates for the B.Mus. degree, in either the four- or five-year program, may declare an emphasis (jazz, piano pedagogy, collaborative piano) only with the approval of the Conservatory Administration Committee.

Candidates for the B.Mus. degree, in either the four- or five-year program, must petition the Conservatory Administration Committee for permission to complete more than one major for the B.Mus. degree.

PLEASE MARK ALL AREAS OF STUDY YOU INTEND TO COMPLETE.
