

2013-2014 NON-CUSTODIAL PARENT FINANCIAL AID FORM

At Lawrence University we believe parents have the primary responsibility for contributing to the educational expenses of their children. While divorce or separation may affect the extent to which one or both parents can contribute, it does not absolve either parent of this obligation. In situations of divorce or separation, it is our policy to secure financial information from both parents.

If your parents are divorced, separated or never married, the Non-Custodial Parent is the parent whose information is NOT reported on the 2013-2014 FAFSA. The Non-Custodial Parent should submit this form to the Financial Aid Office.
