

# Classroom projects completed summer 2012

## Wriston Auditorium

- Replaced 18 ft. screen and added up/down controls to touch panel

## Wriston seminar room

- Added new AV control system
- Added dedicated laptop AV inputs
- Replaced projector with 1080p HD projector

## Shattuck 46 (Jazz Rehearsal Room)

- Added new AV control system
- Added dedicated laptop AV inputs
- Replaced projector

## Main Hall 216

- Relocated AV cabinet to front of room
- Added new AV control system
- Added dedicated laptop AV inputs
- Replaced projector

## Briggs 423

- Installed new, smaller profile AV cabinet to improve instructor movement between whiteboards

## Briggs 317

- Installed AV cabinet (from Briggs 423) at front of room; moved computer and laptop connections from back of room to new cabinet at front of room.

## Main 008

- Moved projector from cart to ceiling-mounted unit
- Added new AV control system
- Added dedicated laptop AV inputs

## Youngchild 121 and Shattuck 156

- Replaced projectors with 720p HD projectors

## Main 108, Steitz 302, 316, & 322

- Replaced projectors

## Music-Drama 95 & 96 [completed Nov. 2012]

- New classrooms (courtyard renovation project). Both rooms have AV installations. Music-Drama 96 has a 70" HDTV installed instead of projector.

## Classroom technology statistics

All classrooms are now equipped with video projection technology! This does *not* include computer labs, art studios or science labs—spaces that we should begin to consider in the future.

See the Instructional Technology web site for more details:
