I.S.S. STUDENT SPOTLIGHT: AYOMIDE AKINYOSOYE

**Name:** Ayomide Akinyosoye  
**Year:** Junior  
**Major:** Economics and I-E  
**Country:** Nigeria  
**Career Aspiration:** Multinational Company

**Why did you choose Lawrence?**
I came to Lawrence because I wanted something different than what I was used to. I wanted to push myself out of my comfort zone, which included the people, weather and the academic standards.

**How has your adjustment to the US and the university been?**
Initially I will say it was a struggle but I had a great freshman year roommate and she definitely made the transition seamless. She made Lawrence home. She is from Wisconsin and made her home my home. I would say everyday at Lawrence is still an adjustment for me.

**What is one of the most memorable moments during your years here at Lawrence?**
The most memorable would be when LI took us to Bjork. It is memorable because that is when I actually started forming friendships that I still have today.

**What are you involved with at Lawrence?**
I’m currently the treasurer for Amnesty International and I am also the treasurer for Events Planning and Organizing Committee (EPOC).

**Do you have any plans yet for life after Lawrence?**
I would like to get a job in the human resource department of a multinational company.

**Do you have any advice for the underclassmen?**
I would say make the best of the four years you have at Lawrence, because it flies by so fast. It is important that you take advantage of the resources made available to you including professors. It is okay to not be certain with what you want to do in the future right now but that is why you’re here at Lawrence. You have time to figure it out.
Dear Leah,
What are my options if I don’t go home this winter break?

Lawrence does allow students to request to live on campus, for a fee, during all or part of break. However, most students choose to return home or visit friends and family during winter break because campus is very empty, there is no meal plan offered, and there are very few work opportunities. Please note, it is not appropriate to ask your friendship family for housing during the break, though they might be able to meet up with you for some family dinners or daytime activities if you are around.

If you would like to request housing on campus during the Winter Break, be on the lookout for information from Campus Life and your RHD (Hall Director) and be sure to apply by the deadline. Your RLA will also be able to answer your questions about departure.

ISS will also mail a departure planning guide for all students via e-mail.

Residence Hall Closure

Wednesday, Nov. 22
NOON

Note: All students must be outside of their residence hall at that time, unless they have requested winter break housing from Campus Life.
