

2021-2022 Housing Selection Information

IMPORTANT! READ AND KEEP THIS!

In order to select housing, you MUST complete ALL the steps below:

- Step 1:** Be certain your **student account is paid and does not have a hold** (balance greater than \$300).
- Step 2:** Complete your housing application in the Housing Portal **by Thursday, May 6th at 10 pm**. Please understand this is a critical component to receiving your lottery number. This is where you sign your housing contract.
- Step 3:** Once these tasks are complete you will be allowed to select a room during your assigned date and time slot in the Housing Portal.

To access the Housing Portal, visit: <https://lawrence.starrezhousing.com/StarRezPortalX/Login?>

select "LAWRENCE – Student SSO Login" when signing into the Housing Portal

Things You Should Know

- **Lottery Numbers:** Soon after you complete your housing application you will receive your computer generated lottery number. Lottery numbers are assigned based on class year. Rising seniors have the best range of lottery numbers, then rising juniors, and finally rising sophomores.
- **Room Selection:** Time selection slots will be assigned in lottery number order (lowest number = first time slot), and ONE student with the best lottery number of the roommate pair or triple/quad group will select a room for themselves *and* their roommate(s) if selecting a double/triple/quad. These specific time slots will be shared via e-mail after you have completed your Housing application.
- **Wait Lists:** There will be wait lists for all room types made available after housing selection is complete (watch the Res Ed website for details).
- **Not Available to Select a Room?:** If you are unable to select housing during your assigned time slot, please contact residential.education@Lawrence.edu and we can make arrangements to assist in your selection.
- **Roommate groups** will have one person select the room for all roommates. Once all students in a roommate group/pair have completed their housing application, students will add each other as roommates in the Housing Portal to form a roommate group. Forming this roommate group in the Housing Portal is what will allow roommates to select a room together during selection. Roommate groups can be changed or modified in the Housing Portal at any time if housing plans have changed (ex. roommate group of 4 created to select a quad, but no quads are left to select, roommate group would need to be deleted and re-created as two separate double roommate groups in order for those students to choose a room during doubles selection).
- **Special Housing Accommodations:** Students who have documented disabilities requiring special housing accommodations must make necessary housing arrangements with the Dean of Students Office no later than Thursday, April 30th (which is prior to housing selection). New accommodation requests made after rooms have been selected in the housing lottery will be managed to the best of our ability from the remaining rooms. For additional information, please visit our housing accommodations webpage: <http://go.lawrence.edu/9659>.
- **Changes to Housing:** Big Exec (300 S. Meade Street) will be unavailable to live in for the 21-22 academic year and will not be included in choices available during housing selection. Kohler Hall will be available to live in, but is undergoing renovations this summer which will include removing the sinks from all student rooms.
- **Squatting (same room same roommate)** squatting has been temporarily suspended for the 2021-2022 housing selection. All students must select a new room for next year and cannot remain in their current room unless it is re-selected at the time of housing selection
- **Gender Inclusive Housing**, which allows students of any gender to live together or in rooms located next to each other, is available in Hiett Hall, Brokaw Hall, Ormsby Hall, the 2nd and 3rd floors of Sage Hall, the 1st and 2nd floor of Plantz Hall, 1st floor of Kohler Hall, and in Big and Small Exec.
