Four Conservatory Degree Possibilities

BACHELOR OF MUSIC

A professional degree heavily focused on music within the liberal arts context.

DOUBLE DEGREE

Complete two degrees over five years in music and in the college of liberal arts and sciences.

BACHELOR OF MUSICAL ARTS

Expand traditional boundaries in jazz and contemporary improvisation and build 21st-century musicianship skills.

BACHELOR OF ARTS-MUSIC

Receive advanced musical training while extensively exploring non-musical interests.

You do not have to major in music to benefit from the world-class musical training we offer. Almost every ensemble is open to any student by audition, and a few ensembles do not require any music training to join, like the Balinese Gamelan.

Supporting your success

Below you will find some of the resources Lawrence offers to ensure our international students will thrive and succeed at Lawrence and after graduation.

INTERNATIONAL STUDENT SERVICES

The office of International Student Services (ISS) is devoted to the unique personal and educational goals and needs of international students at Lawrence. ISS provides visa assistance, airport pick ups, English as a Second Language support, break housing, student programming and much more.

SUMMER INSTITUTE

The Summer Institute eases international students' transition into the academic learning community at Lawrence. Students will learn about and engage in the types of academic study common in U.S. liberal arts institutions, including academic discussions, thesis-driven essays and critical thinking about texts and lectures.

INTERNATIONAL HOUSE

Open daily from 8 a.m. to midnight, International House, conveniently home to our International Student Services team, serves as a comfortable, welcoming home away from home. In the afternoons and evenings, groups of students study in the large dining room, cook in the kitchen and watch international television programs in the lounge.

LAWRENCE INTERNATIONAL

Lawrence International is one of our largest student organizations, working to increase awareness and integration of international cultures through dances, ethnic dinners, picnics and many other events. In addition to Lawrence International, there are many more active student organizations. These range from cultural organizations to clubs interested in exploring environmental issues, community service, religious interests, art, music, theatre and more.

FRIENDSHIP FAMILIES

The Friendship Family Program is an informal way for students to experience typical American family life, culture and traditions. Student are paired with volunteer families to connect for meals, family gatherings, day trips or other local events like apple picking, athletic competitions or holiday parades.

PATHWAYS

English language proficiency is important to success at Lawrence. With this in mind Lawrence has created the Pathways program. Pathways helps students who may need additional English language instruction as part of their transition to campus by focusing the first year of studies on improving English language skills. Students in this program typically complete the required English language coursework, and their Lawrence degree, in four and half to five years.

An Illuminating Journey of Transformation

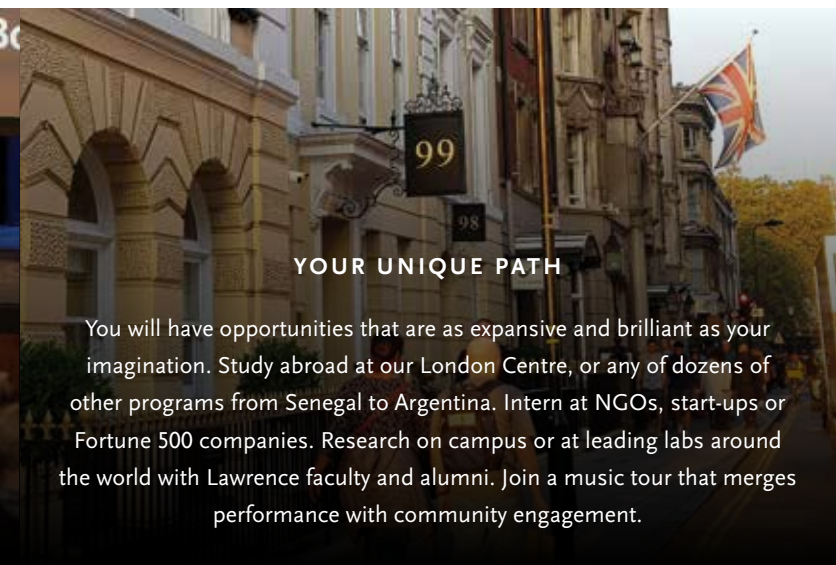

At Lawrence University, we speak of light often: Light, illumination, brilliance. The concept comes from the motto on our seal, *Light! More Light!* We believe that you have something great to offer the world, and we want to help you strengthen your light with a meaningful educational journey.

Bring your light, brilliance awaits!

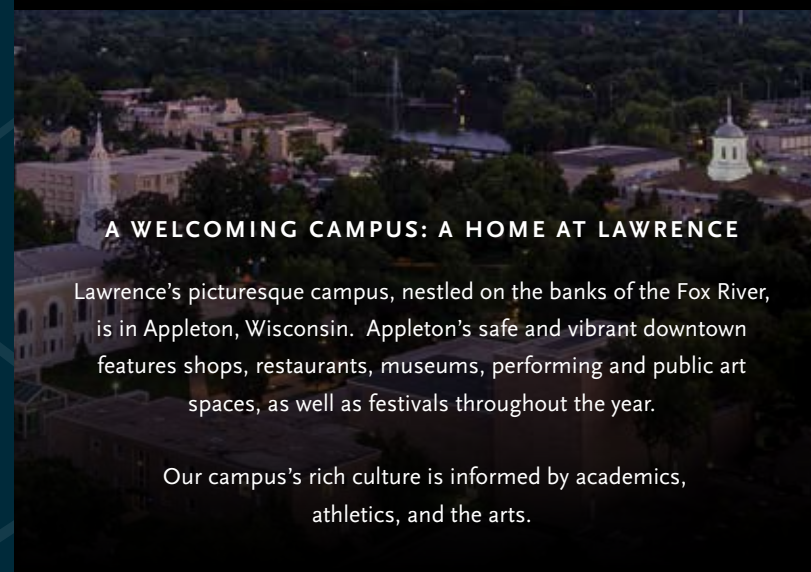

FIRST-YEAR STUDIES

Few colleges have a first-year requirement like *Freshman Studies*, a two-term introduction to the liberal arts and sciences. You will be part of a powerful intellectual tradition as you grapple with works united by a common theme, from ancient plays and medieval paintings to current graphic novels and modern jazz albums.

YOUR UNIQUE PATH

You will have opportunities that are as expansive and brilliant as your imagination. Study abroad at our London Centre, or any of dozens of other programs from Senegal to Argentina. Intern at NGOs, start-ups or Fortune 500 companies. Research on campus or at leading labs around the world with Lawrence faculty and alumni. Join a music tour that merges performance with community engagement.

A WELCOMING CAMPUS: A HOME AT LAWRENCE

Lawrence's picturesque campus, nestled on the banks of the Fox River, is in Appleton, Wisconsin. Appleton's safe and vibrant downtown features shops, restaurants, museums, performing and public art spaces, as well as festivals throughout the year.

Our campus's rich culture is informed by academics, athletics, and the arts.

CHANDLER SENIOR EXPERIENCE

The culmination of your time at Lawrence is the *Chandler Senior Experience*, when you will create your own light through producing original work. Working one on one with a faculty member, you can design an independent project such as research, a field experience, an exhibition, or a performance. Grants are available, so dream big!
