**Note:**

- For Fall 2009 and earlier, race/ethnicity was reported under old IPEDS categories and are not applicable to this summary.
- Faculty includes all full-/part-time individuals whose primary function/occupational activity is primarily instructional.
- As a result of the Mellon Foundation's support of our Faculty Mentorship Program starting in March 2010, overlapping appointments of a retiring senior faculty member and new visiting assistant professors as potential successors, the faculty counts are higher.
