

Student Acknowledgment of Recommendation for Financial Aid Meeting

I have met with the financial aid office and have been informed of the financial aid policies as they pertain to off campus study. If you are eligible for financial aid when on campus, your financial aid (other than student employment), in most cases, will be applied toward the cost of an approved off-campus program. This includes federal, state, and institutional scholarships, grants, and loans.

The Director of Off-Campus Programs has encouraged me to meet with the financial aid office; however, **I have chosen to waive this opportunity**. If I have not met with the Off-Campus Programs office previous to completing the off-campus study application, I understand that I am encouraged to meet with the financial aid office to discuss how studying off-campus may impact my financial aid award and status. If I receive a merit scholarship from Lawrence University, I understand that this scholarship will not be applicable to my term(s) off-campus nor will the amount I forgo for that term(s) be applied to the other term(s) in the academic year. Furthermore, I understand that under the financial aid policy for off-campus study, my institutional need-based award may be reduced for my term(s) off-campus.
