

LAWRENCE UNIVERSITY  
APPLETON, WISCONSIN

## **Parent Leadership Council**

### **JOB DESCRIPTION 2014-2015**

The Parent Leadership Council (PLC) is an advisory and advocacy group whose members serve as advocates of the university. PLC members focus on networking with fellow parents, with the ultimate goal of creating a philanthropic community supporting students at Lawrence.

By sharing their time as spokespeople for philanthropic support, members enjoy developing a deeper connection with the university and raising awareness about Lawrence's future. The Parent Leadership Council consists of families who lead by example with annual Founders Club level contributions to the Lawrence Fund of \$1,000 or more, forge key relationships among other philanthropically-inclined parents, and generate ideas to move the Lawrence mission forward.

There are two council meetings each year to discuss the trajectory of the parent program. The first meeting takes place on the Saturday morning of Fall Festival. The second is a working meeting that will take place in May.

- Share your personal and professional strengths with the Lawrence community
- Contribute ideas and articles to the Parent & Families quarterly newsletter
- Advise the associate director of parent programs on issues of concern and interest to parents
- Assist in promoting and enhancing the university both nationally and internationally

- Attend the semi-annual meetings
- Support the Lawrence Fund by joining Founders Club with a minimum gift of \$1,000 annually
- Attend Lawrence events in your region, when possible
