

Zoom Housing Selection: Times & Details

- Utilize the links below to join Zoom at the correct time based on your lottery number and desired room type. Please **DO NOT** join the zoom session more than 5 minutes before your scheduled time. You will be placed in the zoom “waiting room” until it is time for your lottery number to select. You can “follow along” before your designated time by looking at real-time floor plan updates on the webpage. Please note you will need to refresh the page to see updates. We recommend viewing these updated floor plans in the hour prior to your designated time and refreshing the page every 5 minutes to keep an updated list of your first choice rooms so that you aren’t wasting time in the zoom room trying to pick rooms that are no longer available.
- Please note that you may be in the “Waiting Room” for up to 20 minutes before being let in to select your room. Please stay on the waiting room page and do not switch to other windows as you may miss messages that are being broadcast to the waiting room with updates.
- When accessing zoom, please **use your full name** to enter (First and Last) as that is how we will know who to let in from the waiting room when it is time for your lottery number to select.
- If you are unable to attend a housing selection session, or you have the best lottery number of your roommate pair or quad but cannot attend, you should appoint someone as your ‘proxy’. Proxy forms are available online. Make sure that as a proxy you attend at the time scheduled for the lottery number you will be using, not necessarily your own.
- We will only let **one student at a time** in to select housing. This means that roommate pairs or quadmate groups will *not* be able to attend selection all together but should “send” the student with the best lottery number, or a proxy designee from the group to use the best lottery number of the group. While we will only grant entrance to one student per group, we do encourage you to find an alternate way to be in communication with others in your group while your representative is in the zoom housing selection room (form a group chat, use a secondary device to set up your own group video call, have your roommates on speaker phone, etc.).
- We recommend joining the zoom housing selection on a computer or laptop, as you will be able to view updated floor plans in the zoom room to see which rooms are available. You can call in or use zoom via your phone in landscape view, but it will be much more helpful for everyone to be able to see the floor plans that will be shared in the zoom room on a full size screen.
- If you are having technical difficulties (lose wifi connection, can’t access zoom for some reason) during your designated selection time, please call **920-832-6726** to speak with a staff member who can help you select a room when your lottery number is called.
- View a [video demonstration](#) of housing selection to better prepare

SUITE/QUAD/TRIPLE ROOM SELECTION - TUESDAY, MAY 26th

7:00 p.m. - 10:00 p.m.
