

## SENIOR EXPERIENCE TITLE

Please provide the title of your senior experience for each major you plan to complete and identify your faculty senior experience advisor (this may or may not be your academic advisor). You can use the title of a project, paper, presentation, independent study, the composers whose works you will play in a senior recital, student teaching, or the title of a seminar/topics class. The title should be informative and will be published as part of the Commencement program. *Do not use 'senior experience' or 'senior capstone.'*

Your academic advisor will be asked to verify this information when certifying completion of your major.
