Watercolor: A Fresh Start Immersive

Course Description

Watercolor: A Fresh Start Immersive is designed for absolute beginners as well as for those who have had some experience painting with watercolor but need a refresher to gain the confidence to start again.

Explore the fall at Björklunden while enjoying this opportunity to learn or relearn watercolor from an artist passionate about the medium while enjoying a supportive and friendly learning environment.

Participants will explore basic traditional approaches to watercolor painting as well as fresh and experimental wet-into-wet watercolor techniques.

Immersive course includes class time in the afternoon following lunch. After experiencing the two-and-a-half-day immersion, participants will go home with the skills and tools to keep on painting.
