Guest Bio

Percussionist **Nick Miller** and cellist **Hanna Rumora** formed **Duo Battuto** during their doctoral studies at the University of Iowa. Their first collaboration resulted in the performance and recording of *21* by Andy Akiho; soon thereafter, the duo accepted an invitation to perform Caroline Shaw's *Boris Kerner* in a recital for the composer. During their 2025-26 season, the duo will present recitals at the University of Iowa, Lawrence University, and throughout the Midwest. Currently, Dr. Miller is the assistant director of bands at the University of Iowa. Dr. Rumora is the cello instructor at Western Illinois University and Coe College and performs with other ensembles including the Burch String Trio and Room 1078.

We collectively acknowledge that Lawrence University is situated on the ancestral homelands of the Menominee and Ho-Chunk people.
